GERALD C. MANN
Attorney General of Texas

BRINGS APPEAL FOR NAVY RELIEF SOCIETY

Gerald C. Mann, Attorney General of Texas, came home to many friends in Milam county Wednesday when he spoke to the Rotary Club and their guests which included members of the Bar and others from all sections of the county.

Dan Tyson, City Secretary and Treasurer, introduced Gerald at the luncheon and paid a high tribute to the Attorney General.

Mr. Mann brought the cause of Navy Relief to the county in a stirring appeal delivered in the best tenor of the much liked Attorney General. He has been made chairman for Texas for the campaign to raise 5 million dollars in the nation for the relief of families of sailors now serving and those who have died in the service.

The nation lost more navy men at Pearl Harbor than in World War I and the Spanish-American War combined, said Mr. Mann. This makes necessary an appeal for funds, the first made in the history of the Society which was established in 1820.

Mann, an engaging speaker, made workers for the relief drive out of all the men who heard him. He made a plea for unity among the people and solid support for those in authority using illustrations from his days as a football star for Southern Methodist University. Mann was the quarterback and was placed on Grantland Rice's all American team in 1927. He was the first great forward passer in Southwest Conference history under Ray Morrison the great razzle-dazzle SMU Coach.

Mr. Tyson got a big hand on his introduction of the Attorney General. He also said that the quota for Milam county is only \$600 and that already many have responded.

The program was arranged by Charles M. Hicks who is to be the new President of the Club.

MRS. PHILLIP ANDERSON IS BURIED IN CALVERT

Funeral service for Mrs. Phillip Anderson were held in Calvert Sunday afternoon with interment in the Calvert Cemetery.

The body was returned to the home there by the Green Funeral Home late Saturday.

Services were held from the family residence with Rev. R. Gage Lloyd, conducting.

Mrs. Anderson died in Calvert Friday, April 10.

FRED BOEKER DIES AT HOME EARLY MONDAY

Fred Boeker, pioneer, died at his home at 4 a. m. Monday, April 13, 1942.

Mr. Boeker had been in declining health for some time but during the past few days his condition became critical. Friends in Cameron knew of his illness but were unprepared for the shocking news that came telling of his death early Monday.

Funeral services will be held Tuesday afternoon from the family residence with the Green Funeral Home in Cameron directing arrangements. Rev. K. Kalkbrenner, pastor of the Vogelsang Lutheran church, will conduct the service. Interment will be made.

STANLEY SWIFT NOW HEADS SCHOOL BOARD

Stanley Swift was elected President of the Cameron School Board Thursday night.

Charles E. Allday was elected Vice President of the Board and Drayton McLane was elected Secretary of the Board.

H. H. Stedman and O. B. Horstmann retired from the board and Roy Law and Charles Allday were elected Saturday and are the two new members on the board.

Roy Law, new member of the board, introduced a resolution calling for the abolishment of all standing committees. The resolution was passed.

In the future there will be no standing committees. The Board as a whole, it was understood would sit as a committee when transacting business. One of the important committees under the old set up was the Teachers Committee.

All teachers will be elected by the Board as a whole without the recommendation of a committee. This indicates that all applicants for places on the faculty will be considered by the board in session direct.

It was said that if committees are necessary from time to time they will be named but no standing committees will be had.

Election of teachers will be held soon, it was indicated. It was not disclosed whether any other changes are contemplated in the policy of the board.

L. W. Kemp President Of Texas Historical Association

L. W. Kemp has been elected President of the Texas State Historical Association.

Mr. Kemp now with the Texas Company, was born and reared in Cameron and a brother of Judge Jeff T. Kemp.

He has been an official in the Association for years and his research work has given Texas and the Association valuable records and accounts of historic events. Chief among his recent work was the location of the graves of Texas historical figures whose bodies were removed to the state cemetery in Austin.

Dr. Herbert P. Gambrell, curator at the Museum of the Dallas Historical Society, was named vice president. Dr. Gambrell has sought a valuable Indian collection owned by J. B. White, publisher of The Herald.

SUIT FILED AGAINST CITY IN PARK ACCIDENT

Suit for \$7000 asking damages for personal injury has been filed against the City of Cameron by Chas. C. Smith, Jr., Cameron lawyer, growing out of injuries sustained by Jack Ward Dyneke, 6 year old boy.

The accident in which the child was severely injured occurred on Feb. 23.

While playing with other children in city park the Dymke child fell through a large hole in the platform of a slide and plunged some 15 feet to the ground. One leg was broken and the child was severely cut and bruised.

The platform is reached by a ladder. The timbers across the platform had rotted away and had not been replaced. This equipment was placed in the city park 20 years ago.

Records in District Court show the suit was filed on March 21st.

Two Cameron Business Men Join Navy; Leave City on Sunday

Two Cameron business men have left the city for service in the United States Navy. They are Gordon Baskin and W. T. Whatley, Jr.

They left Cameron Sunday morning for Houston where they are reporting to the naval recruiting station.

Mr. Baskin was a member of the firm of Camp-Baskin, Insurance; and Mr. Whatley was associated with his father in the grocery business here.

Mr. Baskin was an active member of the Rotary Club and Mr. Whatley an active member of the Lions Club. Both will be held in grateful remembrance for their activities and friends here and elsewhere will wish them a safe return to Cameron.

Both men volunteered. Mr. Baskin, it was understood, will retain his interest in the Fire Insurance Agency here.

MRS. EDWARD SELL DIES IN TEMPLE TUESDAY

Mrs. Edward C. Sell of Meeks, died in a Temple Hospital at 4 p. m. Tuesday, April 14, 1942.

She became slightly ill only a few days ago and was taken to the hospital on Monday for treatment. Her death came as a shock to her family and friends and news of her passing was received in Cameron with universal sorrow.

Mrs. Sell was the mother of Wm. Sell, formerly with the First National Bank and now with the Texas Unemployment Compensation Bureau in Austin.

Funeral service will be held at 2 p. m. Thursday, April 16 at the family residence at Meeks with services at Terry's Chapel near Barclay in Fall's County, at 3 p. m. If weather conditions are not favorable services will be held at Green's Funeral Chapel in Rosebud and at Terry's Chapel Lutheran Church at 3 p. m. Rev. Mueller, officiating.

Mrs. Sell was 61 years of age and first settled in Austin county, coming to Texas with her parents from Germany when a small child. After her marriage to Edward C. Sell they continued to live in the home county and later moved to their farm at Meeks where they had lived for more than 30 years.

Wm. Sell, her son, came to his home in Cameron Monday following his mother's death and with his family went to the old home at Meeks.

Surviving besides her husband are: Wm. Sell of Cameron, Edgar Sell of Buckholts, sons; and two daughters, Miss Esther Sell of Washington, D. C., who took a plane at the capital for a flight to Waco where she was met by members of the family; Mrs. W. F. Schiller of San Antonio. Six grand children survive as follows: Billie Blanche Sell, Ray Lamon Sell and Emma Elaine Sell of Cameron, children of Mr. and Mrs. Wm. Sell; Leslie Sell, son of Mr. and Mrs. Edgar Sell of Buckholts; DuWayne Schiller, son and Joyce Renee Sell, daughter, of Mr. and Mrs. W. F. Schiller in San Antonio.

Mrs. Sell was a member of the Lutheran Church.

Miss Esther Sell, daughter, is with the War Department in Washington.

Two brothers survive as follows: Emil Kosel of Ben Arnold and Wm. Kosel of Rosebud.

Pail bearers will be: Her nephews, Walter Kosel, Bill Kosel of Ben Arnold; Lee Kosel, Bennie Kosel, Raymond Kosel and Willie Kosel all of Rosebud.

Half Million for Highway No. 190 In Bell County

Cameron was made to realize fully Saturday just how badly the city and county have been neglected by the Highway Department when contracts totaling almost a half million dollars were let in Austin Friday for about 23 and a half miles of roadway in Bell County.

As usual the good work will stop at the Milam County line.

All of the construction involved in the amount set out above will be on Highway 190 which runs through Cameron.

For 9.2 miles of the highway from the Coryell county line to within a 2 miles of Killeen the Highway Department will pay \$262,661.97. For 14.2 miles of Highway 190 from Milam county line to Temple the Highway Department will pay \$223,265.

The local Chamber of Commerce and especially Representatives from Milam County should feel deeply grateful to the Highway Commission for this latest evidence of its intention to destroy our commerce.

It should be said however, that contract is being called for construction of 21 miles on Highway 77 from Minerva to Highway 36 across Little River and from Elm Creek to Burlington.

The City of Cameron is not included in any construction project.

Highway 36 runs from Cameron west to Bell county line and from Cameron east to Burleson county line. Any road leading in the direction of Cameron is built to lead traffic away and not to the city.

The Herald expects to have much to say about how we have been treated in the coming campaign.

Miss Janie Burken of Houston visited relatives and friends here over the week end.

For Re-Election

JEFF T. KEMP
County Judge

JUDGE JEFF T. KEMP ASKS FOR RE-ELECTION

Jeff T. Kemp, County Judge, is a candidate for re-election to that office subject to the Primary Election to be held on Saturday, July 25, 1942.

As a candidate for re-election, Judge Kemp, in relationship to the service he has rendered as County Judge, occupies a position few men have been able to attain. This distinction results from devotion to public duty which combines with ability to make one of the most impressive records in the history of the County.

His continued re-election to this office is evidence that the people have an abiding appreciation for his record and for his integrity. His broad human sympathy and extraordinary grasp of good government have cast him in the role of leadership in which the people have decreed their estimate of the man and of his work as a public official.

In making his announcement for re-election Judge Kemp fully appreciated (Turn to page two)

FRENCH VIOLENCE IS DEATH FOR 40 GERMANS

Forty German soldiers were killed in France Wednesday when a train was derailed in a series of outbreaks resulting from unrest which resulted from the elevation of Pierre Laval to become Premier.

Laval was being heavily guarded. Momentary expectation that he might declare openly for Axis participation had not come.

In Washington there was official silence. No doubt the situation will be composed and shipments of oil and food for French babies will go forward.

Tolerance of Vichy is the nearest approach to bringing Germany under the Lease-Lend Bill.

Laval may be shot by a French Patriot before the week is over but it was not considered likely.

The French fleet will not go to Hitler yet. It is an ace up the sleeve for the future tapping of Uncle Sam's generous purse.

SPRINGTIME HOPE

King Winter's reign was all in vain. Triumphant comes the Spring!

The siege is over; the earth once more is free for blossoming.

The frosts depart; and, blithe of heart,

The songbirds come to nest.

Oh, would as soon the peace of June

Could come to minds distressed.

The cold winds pass, the new young grass

Is heartening to see.

The skies, long gray, are fair today.

The streams are running free,

The ice has gone, Spring's drawing on;

The tulips bloom again.

On land and sea, when will it be

Peace comes once more to men?

The sun is high within the sky;

All nature's bonds are freed.

Now comes the rain and life again

Returns to root and seed.

King Winter yields his long-held fields,

Song rings from hill and glen;

But no one knows when war will close

And peace come back to men.

40 JAP TRANSPORTS OFF PORT OF RANGOON

Americans have been told to leave unoccupied France.

There is no fear of an invasion by England and the United States. Actually the situation looked as though Hitler might march into open French arms and in that case American would be in Germany.

The position of General MacArthur in Australia is still battered around by irresponsible leaders.

The British retreat in Burma has seriously endangered the Chinese army. The Japs are launching a major offensive.

The bombing of Japanese positions in the Philippines was a rare feat of aircraft. The big ships of the American force traveled 4000 miles.

Although the question has not been raised, it is unusual to evacuate prisoners held by the enemy. If the 40 men brought out were prisoners, their delivery will create a unique thing. If there is no precedent for evacuation of prisoners held by the enemy they may have to be returned.

David Martin Boehner Born at Hospital Here 3:40 P. M. Wednesday

Cameron, the Friendly City, gave welcome today to her newest citizen. He is David Martin Boehner, son of Mr. and Mrs. J. M. Boehner, at 3:40 p. m. Wednesday, April 15, 1942.

Celebrating the blessed event, the father, J. M. Boehner, local manager for the J. C. Penney Company, was handing out perfectly good cigars to friends this morning from a new, full box.

David Martin, weighed 8 lbs. and one ounce. He is their first son and only child. Many friends here were congratulating them.

Mrs. Boehner was the former Miss Ione Everett and was reared in Kansas. Mr. Boehner, the father, is also a native of Kansas.

Miss Sadie Boehner, sister of Mr. Boehner, is expected to arrive in Cameron within a week to visit and a close friend of Mrs. Boehner is also expected soon.

Mother and baby are doing well and will remain in Cameron Hospital for several days.

Voters Write End to Bonds for Water Co. Purchase in Cameron

The end has been reached in the unsuccessful attempt to buy the properties of the Community Public Service Company in Cameron.

Tuesday the voters said 104 to 17 the \$185,000 in bonds should not be issued, although voted more than two years ago to buy or install a system of public owned utilities.

Agitation for public ownership of utilities began more than 10 years ago. The bonds voted by the people will now be cancelled but could not have been used for any purpose except for which they were voted.

The election was a customary procedure in such cases. Cameron's bonded debt is less than \$130,000.

CAMERON DOCTORS LEASE NEW OFFICES

Dr. Clifford G. Swift and Dr. T. Leiland Denson have leased the Loran building and will move their medical offices to the building about May 1st, it was announced here Tuesday afternoon by Dr. Swift.

The building was recently leased from Mr. Morrison who has volunteered for service in the army. It was used as law offices and a residence by Mr. Morrison.

The lower floor of the building will be used as a reception room and for doctors offices. The upper floor will be used for a complete laboratory, X-Ray room and a small operating room. There will be complete facilities for treating patients and also beds will be provided.

Dr. Swift said the laboratory will be equipped with complete diagnostic facilities and all modern instruments and equipment in keeping with modern advancement in medicine will be available.

The doctors do not have sufficient room in their present quarters in the Citizens National Bank building.

The new set up will retain two graduate nurses and a laboratory technician.

VERA FISHER CANDIDATE FOR COUNTY TREASURER

Vera Fisher is a candidate for County Treasurer in the Primary election to be held on Saturday, July 25, 1942.

Miss Fisher was a candidate for the office in 1940 with three in the race and was second high. Based on the strength which she polled in the primary of that year, hundreds of friends over the county have urged her to run again and in making her announcement she said she felt greatly encouraged because of these pledges of support.

She is a native of Milam county, born and reared on a farm near Hanover and still lives on the farm with her aged mother and father and contributes to their support.

Miss Fisher is a life long Democrat. "I have voted in every election since I became 21," said Miss Fisher. "My father is a life long Democrat and always paid my poll tax until a few years ago when I took over that responsibility myself."

Miss Fisher lives on the small farm with her aged parents who are now so advanced in age they cannot longer work. Neither of them receive a pension. Their daughter who is the candidate helps them and by their combined efforts manage to make their living off the land they settled upon years ago. Miss Fisher, because of her abilities might have gone far in the business world but her devotion to her parents came first and so the community has found her an inspiration as well as useful.

For seven years Miss Fisher has been secretary and treasurer of the Union Sunday School in the little community. Although Sunday School has been temporarily suspended at

MRS. A. L. MASSENGALE DIES AT MAYSFIELD

Mrs. A. L. Massengale died at the family residence near Maysfield at 6:30 p. m. Thursday, April 9, 1942.

She had been in declining health for several years but her death came suddenly as she sat for the evening meal with members of the family. It was thought her death was due to a heart attack.

Funeral services will be held at 4 p. m. Saturday afternoon from the Presbyterian Church in Maysfield with the pastor, Rev. Henry Bailey conducting the services. Interment will be made in Little River Cemetery. The Coleman Funeral Home in Cameron will have charge of arrangements.

Mrs. Massengale is survived by her husband, A. L. Massengale; three daughters, Mrs. Fanning Hodges of Marlin, Mrs. Harold Jones of Minerva, Miss Birdie Una of Maysfield; two sons, Ralph Massengale of Freeport and Alfred of Maysfield.

Mrs. Massengale was a native of Anderson county but had lived at Maysfield for many years.

NUTRITION CLASSES TO BEGIN HERE APRIL 20

Two classes in Nutrition will be started in Cameron on April 20th. One class is scheduled to meet between 2 and 4 o'clock in the afternoon and the other between 8 and 9 o'clock in the evening. Both classes will be held in the homemaking department at Yoe High School, and both classes will meet 2 hours daily for a period of two weeks (Monday through Fridays) in order to complete the 20 hours of instruction necessary for classes receiving Red Cross Certificates for the work done.

Mrs. W. C. Moody will teach the afternoon course with the assistance of Mrs. Carroll Green. Misses Irene Hollis and Ruth Jennings will teach the evening classes.

The Food and Nutrition Manual of the Red Cross Association will be followed as a text though the course may be modified to suit the needs of the group. The manual includes chapters on food essentials for health, food needs and food values, practical means of meeting daily food needs, and making the food dollars count for health.

Anyone interested is eligible for the course themselves for service during war times and for better service during peace times.

R. G. Bryant, formerly of Milam county, is recuperating at Sealy Hospital in Galveston after an operation for an infected kidney.

WASHINGTON

By
CONGRESSMAN POAGE
Visits Portion of
His District

I have just returned from a few days in Texas. It was good to get home and to meet old friends even though in the short time I was there it was utterly impossible to see any large percent of the friends I would have enjoyed seeing. Each time I get home I plan to visit various counties. I do visit several counties, but when you recall that there are nearly one hundred post offices and approximately two hundred voting boxes in our district, you will be able to see how impossible it is for a Congressman to see all of his constituents. Another thing that most people don't think of is the fact that just as soon as I get home, people begin to phone me and to come to see me. I want them to feel free to do this, but I hope that they will realize that I can't always promise to stay at home till they get there. And on the other hand, I hope those who don't come to see me will realize that it is impossible for me to come to the various counties of the district and at the same time see all of those who do try to come to see me. I, therefore try to do some of both—to see as many as I can at Waco and to visit as many points in the district as I can.

Another item to keep in mind is the fact that when I am home, as I was the last few days, I have no facilities or opportunity to write letters and that I am very likely to lose some of the notes that I make about the matters people discuss with me. It is, therefore, always desirable to write me a letter at Washington giving all the details. We are always glad to try to serve any citizen of the 11th district, but we can only help when we are given all the facts.

Naturally, the news of the recent Japanese success in the Philippines has been most unwelcome here just as it has been at home, but I think that it is a mistake to assume that this reverse was unexpected. On the other hand, the wonderful resistance of our heroic troops and brave Philippine Allies has so far surpassed anything that had been expected that all America should be proud and not discouraged. I know that many families in Central Texas had loved ones on Bataan Peninsula. I know with what suspense these people wait for more details. My own relatives fall within this group. Just as soon as the Army has definite information of any loss or injury, it will advise the family. We are happy to ask that a check be made for any individual, but of course, we won't be able to get any information until the Army prepares its official list.

In the meantime, America should be encouraged by the fine way in which production is getting along. I think we can safely say today that never before has American production

moved so rapidly and so smoothly. Apparently, the publicity that has been given to some of the defects in our productive effort and the public discussions that have followed have been productive of good results. Anyway, both labor and management seem to be making a serious effort to turn out the goods needed to win the war. This spirit is most encouraging. With it, America can not lose. There are still many evils to correct. There will still be defects. We can not overcome a ten years' start overnight or even in a year, but we can, and we are overcoming it.

Next week the Senate will take up the Connally Labor Bill. The House is ready to take up the Smith and Vinson Bills, but I am afraid that the Committees that have been considering these bills are not going to be ready to report. Personally, I feel that the committees have had enough time and that the bills should be brought before us without further delay. If we do not get these bills, we will undoubtedly have a conference report on the last appropriation bill which contains a limitation of profits on defense work. Such a limitation has already been favorably considered by both Houses, but in different forms. The two Houses must now get together. I think they will do this without any difficulty. I voted for the limitation of 6 percent which the House imposed, but I would be perfectly willing to support the graduated limit contained in the Senate Bill, believing that there should be a definite limitation on all war profits. We don't want this war to produce any millionaires, and I shall vote for all measures to prevent any unwarranted profits.

WEEK END TOLL IS 212 AXIS PLANES DOWN

The week end toll in Axis planes was 212 according to a broadcast shortly before noon Monday.

The spreading air war, intensified by growing strength on the part of the United States, was lifting the decision from the ground in many places.

The Japanese were being gravely threatened with loss of air superiority. Early Monday 300 RAF planes roared to the attack over Germany and occupied countries. The loss was said to have been 5 planes. Hopes mounted the pounding meant an invasion.

On Bataan the Japs were repulsed by General Wainwright's men. Unsuccessful attempts were made to land by boats and barges behind the American lines but our artillery broke up the attack with several barges sunk and heavy casualties.

It was announced that the question of independence for India would be settled within the next 24 hours. This would seem to indicate that Indian co-operation is to be had.

PLANS UNDER WAY FOR REGISTRATION APRIL 27

Announcing the distribution of instructions to Texas local boards concerning the April 27 registration, General J. Watt Page, State Selective Service Director, said today that plans are under way to register approximately one and one-half times the number of men who were registered in the third registration.

As soon as the President's proclamation calling for the fourth registration has been received at State Headquarters, Governor Coke Stevenson will, according to the Director, issue a proclamation calling upon all men in this State who had attained their forty-fifth birthday on or before February 16, 1942, and have not attained their sixty-fifth birthday on April 27, 1942, to register as of their home address between 7:00 a. m. and 9:00 p. m. on Monday, April 27.

General Page pointed out that although the men affected by this registration are not liable for military service under the Selective Training and Service Act of 1941, as amended, they will be registered in much the same manner as men who enrolled in pre-

vious registrations.

Local boards will conduct the registration with the assistance of volunteer registrars, and will record the same information on registration cards as was required in the first three registrations.

Registration cards will be buff in color and there will be no substantial change in form.

General Page pointed out that since registrants who were forty-five years old or over on February 16, 1942, are not liable for military service, there will be no National Lottery and no order numbers will be assigned, although the registration cards will be serially numbered by local boards.

Because of the difficulties which may be experienced with elderly registration places will be carefully located in every local board area throughout the State and sufficient registrars will be provided so that registrants will not face transportation difficulties or long delays at the registration places, the Director stated.

In the metropolitan areas special registration places will be arranged for transients. Also, in establishments of substantial size, registration boots will be provided in order that time will not be lost from important tasks. For the convenience of

men subject to registration, but who will be in attendance at conventions, or other large assemblies away from their place of residence on April 27, local boards will register these men on Friday or Saturday, April 24 and 25, to avoid congestion of registration places in towns holding such conventions.

Any person in doubt as to whether or not he must register should consult the proper registration officials and register if they deem it advisable.

NEW WORRIES PILE UP FOR UNITED NATIONS

New worries piled up Tuesday for the United Nations and Major Wopple was puffing over added excitement and another swift kick.

This time it's Vichy, France, for Pierre Laval has become Premier. London thinks it means an all out collaboration with Hitler. Washington hasn't heard about it as yet.

John Public thinks it's just another touch for after all Uncle Sam is a sucker and may be in his element if he can bring Vichy under the Lend-Lease or send oil to French Africa.

The presence of General George C. Marshall in London, said a report

Tuesday has given Berlin the jitters. It might be said that the continued presence of the General in Washington has given us all the jitters. Now that he is somewhere in the shadow of the conflict, hopes are rising here we may go to war.

There is the French Fleet, always ready to be turned over to Germany. Washington has been able to step in at the right moment with more food for French babies and more oil for French Africa.

No doubt the touch this time will be bigger. Laval is a Nazi in Tri Color. He was recently shot by a French patriot who lacked the Texas Ranger technique and so escaped death.

The Daily Herald heard another news broadcast that General Marshall is in London to find out why the British have not opened up a new front. A Texas daily says it is not to be opened up until 1943. That will be hard for Americans to take.

London thinks Laval, who has always wanted to get hold of the French police, will be used by Hitler to secure his back while he faces the Red army in the east.

Washington said relations with France are maintained from day to day.

ELECTRIC POWER throughout the nation is driving machinery...speeding the work of millions of men and women...to help build sturdier, faster planes to keep 'em living!

Boys who fly, boys who fight on land or sea, deserve to live! America's might is aimed at giving their lives every possible safeguard. Your electric power companies are keeping power on the job 24 hours a day, 7 days a week...at points where men and machines are building things to keep 'em living! That's their job; and they're staying with it...right on through the war!

Texas Power & Light Company, here in Texas, had the power ready when it was needed for war production in the area it serves...and supplied the power without delay and without inconvenience to its regular customers. This Company has more power on the way for the increased war needs of tomorrow. The Texas Power and Light Company and its organization of trained and experienced employees are "all out" for Victory!

Hanover they hope to revive it. She is a Methodist by faith but found her place of service in the Union religious efforts of her community.

Here's a bit of philosophy of her own which she translates into action in everything she does: "The best way to do good is to do it by the job, not by the hour. To do it for its own sake, and not for our sake."

"I will serve in an honest, efficient and patriotic manner," she said in discussing her race for county treasurer.

The duties of this office require an understanding of records and detailed accounting. Miss Fisher, her friends point out, is well qualified for the place and would bring to the office the kind of service the people would appreciate.

Miss Fisher hopes to make an active canvas of the people, to see as many as possible under existing conditions. She will rely upon her friends in all sections of the county to help her and sends her thanks to all of them for their kindness and encouragement.

Miss Fisher would be able to do the work in the office and because of her qualifications the people would realize much from their investment of confidence in her. Your vote and support will be greatly appreciated.

Registrants Urged To Comply With All Provisions of Law

J. Edgar Hoover, Director of the Federal Bureau of Investigation, urged all local registrants to comply fully with all provisions of the Act. For the benefit of those who are not familiar with the requirements, he urged that the following precautions be observed.

- (1) Always keep your registration card with you.
- (2) When you receive your questionnaire, answer and return it promptly.
- (3) Report for examination and induction when so ordered.
- (4) Keep your local board informed at all times of your correct address.
- (5) Report immediately any change in your family status or occupation which might have a bearing on your classification.
- (6) Do not attempt to evade any provisions of the Selective Service Act or the official instructions of your board.
- (7) Do not aid or attempt to persuade any one to avoid compliance with the Selective Service Act.

A TOP-SELLING LAXATIVE
ALL OVER THE SOUTH

TWO SHIPS STOPPED SAILING FOR FRANCE

Summer Welles, Under Secretary of State, Wednesday canceled the sailing of two cargo vessels due to go to unoccupied France. The cargoes included milk for French babies.

Reasons no doubt are the changes in the Vichy government brought about by the elevation of Pierre Laval to be Premier of France.

Laval is to bring France to the side of the Axis in the war, so thinks Washington. However, the American government is waiting for a report from Admiral Leahy, ambassador to Vichy.

In the meantime relations are being carried on from day to day, as they have been for almost a year. Washington nor London have yet realized there is a war to be fought and that France must also be beaten along with the Axis.

The war in Australia was held up, or perhaps prolonged, depending on the view point, because Washington has not yet clarified the position of General Douglas MacArthur.

Prime Minister Curtin of Australia insisted that General MacArthur is in command of all the United Nations armies in the South Pacific. Washington indicated the general is only leading the American forces now in Australia.

The matter was regarded as gravely important in Washington where the British policy of waiting and appealing has become a settled method of conducting the war.

at least 3 years will be required to beat the Axis powers and bring peace.

President Roosevelt indicates that beat the Axis powers and bring peace. The Chinese have launched a major offensive in Burma to drive the Japs out. If successful pressure will be relieved on British lines now in retreat.

POST NUPTIAL COURTESY IN JACKSON

In Jackson, Mississippi, in the home of Mr. and Mrs. Frank L. Adams, a post nuptial courtesy was extended to Lieutenant Thomas Jefferson White and his bride, the former Miss Ruth Marek of Burlington and Dallas, Texas. On Sunday, April 12, 1942, a formal dinner was given in their honor.

Chosen guests were Air Corps students of Jackson and Greenville, Mississippi, Air Bases. Among them were Texas friends of Lieutenant and Mrs. White; Frank Richter and John Wallace of Cameron.

The table was centered with a low arrangement of bridal wreath. The home was beautiful throughout with vases of spring flowers from the Adams home garden.

The bridal couple were presented, by the host and hostess, with an antique figurine as a wedding gift.

The bride was lovely in a spring costume of gray chiffon, with Du Bonnet accessories. The young airmen were informers.

The newly weds are located in an apartment in the most desirable residential section of Jackson, where they are at home to their circle of friends.

Cameron Gets First Negro Scout Troop

Boy Scout commissioner Rev. F. M. Hudspeth, veteran colored Scouter, reports success in giving Cameron its first Negro Scout Troop. The organization is as follows:

Sponsoring Instruction: O. J. Thomas High School, M. H. Staton, Principal Scoutmaster and Assistant. James E. Booker and Edward L. Aycox committeemen. Chas. E. Coleman, Rev. F. D. Cranshaw, chaplain, and S. C. Woodard.

Fourteen boys complete the registered group. Others will be registered later.

Commissioner Hudspeth promises action and more action in an effort to make communities better places in which to live and to contribute in every way possible to the ultimate defeat of the Axis through the Defense Program. The Court of Honor date will be announced later.

Egg Storage Here Is Large; Million Now In Ice Company Vaults

Cameron's egg storage was large today as figures disclosed that one million and 22 thousand eggs are in the vaults of the Cameron Ice Company.

Milam county will produce over 3 million eggs this year under a pledged increase for national defense.

Proof that local egg production has become a prime commercial possibility is now at hand. Production may increase and with it storage will be larger.

Cameron is fortunate to have storage space such as now provided by the Cameron Ice Company.

He is survived by his widow and three children as follows: Mrs. Alvin Schiller, Will Boeker and Miss Lydia Boeker.

Bond Thermometer Is Set Up On Lawn

Grady Little, local chairman for the sale of war bonds and stamps, has set up a thermometer on the court house lawn.

This will indicate from week to week the amount of purchases made. A glance at the face of the board will indicate at once the long, steep hill we must climb here to reach the goal set for Cameron and the county.

Walter Wallace has returned to Houston to resume work with a contracting firm as a cement finisher. Mrs. Wallace accompanied him and they will live in Houston.

Increase Shown In Car Registrations

Automobile registrations for Milam county show an increase over registrations last year, it was disclosed in a statement just issued by Bill Alex Bonds, Tax Collector.

Mr. Bonds shows that up to April 12, 1941, there were 5060 registrations and up to April 12, 1942, there were 5084 registrations.

In view of the rubber shortage it was expected a slight decrease might be shown but the contrary is true with increase of 24.

Louise Batla Becomes Bride of Bennie Salach In Ceremony at Presbyterian Manse, April 5th

Miss Louise Batla became the bride of Bennie Salach, April 5th at the Presbyterian Manse, Rev. O. C. Acree reading the beautiful ring service.

The bride is the daughter of the late Mr. and Mrs. John Batla, prominent pioneer settlers in Texas. She is a graduate of the Cameron High School, and has lived in and near Cameron all her life, and has many close friends. She was attractively attired in navy blue spring costume with touches of white. Her corsage white gardenias. For the past four years she has been head saleslady for the J. C. Penney store here.

The bride groom is the son of Mr.

and Mrs. Steve Salach of near Cameron. The bride groom has been employed in Beaumont for a number of years, and will be remembered as a member of the "Magnolia Petroleum Band," of Beaumont.

Only members of the immediate families were present with a few close friends. Immediately after the ceremony the happy couple left on a few days travel in the southern part of Texas. Mr. Salach returned to his position in Beaumont and Mrs. Salach will remain for a while with her present position, as the groom is going into training in the army soon.

Their many friends wish for them a life of happiness and prosperity.

NO DEFENSE ADMITS WINSTON CHURCHILL

A large Japanese fleet with at least 3 battleships and five aircraft carriers is operating in the Indian Ocean, it was announced in London by Winston Churchill this morning.

Mr. Churchill was explaining British defeats in Burma and also to say that ships will have to go without air escort in the Pacific. He also detailed British losses were heavy in the battle off Ceylon, especially air plane losses. The British also lost 2 large cruisers.

The Japanese fleet is at the door of India and will not be resisted effectively because the British nor Americans have anything like a substantial fleet in those waters.

As was predicted by the Herald the American expeditionary force in Australia was a detour, but may have warned the Japs away. It now appears the Japs are not to attack Australia at all. But may push on through India to join the fight on Turkey and England in the near east. India now at the mercy of the Jap invaders will be easy to conquer. First there is great anti-British sentiment in India and second there is no British army to defend India.

The Chinese were battling well to save England in Burma.

Japanese threats to Australia have diminished, said a noon report. India is likely to be the next battle front.

Harry Hopkins is in London with General Marshall and conferred with the Russians today. The averages on conference are very high. India has not been brought under the Lease-Lend Bill as yet but it is thought this will be hurried up now that the Japs are knocking at the door.

WALLACE AND WALLACE

ATTORNEYS AT LAW

Over First National Bank
Cameron, Texas

Congressmen will soon come home to see how simple minded we still are.

Judge and Mrs. Jeff T. Kemp attended an entertainment in Rosebud Monday evening given by Miss Worrick.

AMERICA STANDS AT CROSS ROADS TODAY

The war will now have to have a new beginning somewhere.

America is out of it for a while, unless the Japs decided to take Australia.

The flag was still flying over Corregidor at noon Friday, so the President said as he chatted with newspaper men in Washington. "We are all pretty sad about Bataan," he said. He talked of registration for women while millions of men wait calls to the army.

The first fight between Jesse Jones and Eugene Meyer was coming in for some attention at the capital.

It came up over the rubber situation. Jesse and Eugene came to blows in a Washington Hotel. The President was amused and said he hoped he was not called in to referee. There was another fight going on in Bataan. Combatative energy in Washington would look better on the battlefield even among the pets of paternalism whose chests have slipped down around the golf line.

In the battle of Bataan it was believed none of the 36,000 men have escaped.

General Douglas MacArthur who created the army of the Philippines was deeply moved over the loss. He comforted the mothers of the men and the general tone of his statement written in long hand on a piece of fools cap paper in his headquarters in Melbourne, indicated the men have gone down fighting, even lost their lives. That is as they wanted it he said. No army has ever been more heroic.

Guns on Corregidor have been silenced for the past 24 hours. General Wainwright said he would not give orders to fire until he knew the position of American troops on Bataan. This indicated there may have been a surrender.

There has never been a mass surrender of men in any American army in history, fighting a foreign foe. Now the average American citizen

has the word surrender in his history books. It was no fault of the Army of Bataan. No appreciable effort was made to save them. While the men on the peninsula paid with their lives, though half starved and lonely, a rich nation quibbled about its sugar and Cameron men were held off from work on army camps because the Union wants \$50.

Bataan is lost but the spirit of those who died on Bataan is with us. "God will receive them," said General MacArthur this morning.

Just how the charlatans in Washington, and that means members of Congress, will grimace themselves out of it, is not clear. But grimace they will, except as the American people may now demand something for those who starved, bled and died without hope of rescue, or aid in what may surely be a battlefield as dearly made as any sacrifice in history, not excepting the Alamo or the Pass at Thermopylae.

Even as firing ceased on the Peninsula a U. S. Torpedo boat sank a Japanese Cruiser off Sabu.

Japanese artillery has opened up on Corregidor.

In the battle of Bengal Bay heavy losses are acknowledged on both sides in the air battles now raging.

We need leadership as never before in our history.

Flying Cadets Visit Cameron This Week

Three Flying cadets from Kelly Field were in Cameron over the week end to visit relatives.

They are: Warren H. Brashear, Irvin Weid of Burlington and Ray Hubert Brashear.

All are now stationed at Kelly Field in San Antonio. As soon as they complete their preliminary training they will be transfereed to a primary center to become fliers.

All hope to return to Kelley to get their wings.

Warren and Ray Hubert who live in Cameron did not have time to visit with all their friends. They had a 24 hour leave. Warren is the son of Womack Brashear, Justice of Peace and Ray Hubert is the son of W. J. Brashear.

Miss Kathryn Burgdorf, Warren Moerge and Charlie Winkelman of Brenham, were Sunday guests of Miss Inez Slaughter at the home of her parents.

EXTRA! EXTRA!

President Roosevelt is soon to make an address to the nation on Inflation. It was thought the President would report on measures to prevent inflation.

This address will mean much to the 35,000 men on Bataan and will profoundly impress peoples in the conquered countries. Perhaps if it had come sooner the Indian conference might not have collapsed.

The Herald will give a cash prize of \$5 for the best explanation of what Inflation is, if written in a single paragraph of not less than twenty-five thousand words.

CARD OF THANKS

We extend our thanks and appreciation to the many friends who were so considerate and kind at the loss of our father and grand father, W. J. Canady.

Especially do we appreciate the beautiful flowers for we feel like they were an expression of your love and respect for him.

May God's richest blessings be your reward for such friendship and understanding.

Signed:
Children and Grand Children.

C. E. Moses of A & M College spent the week end in Cameron with friends.

CAMERON MAN PROMOTED

Robert L. Batte, III, son of R. L. Batte, Jr., of Cameron, and now stationed at Goodfellow Field, Army Air Corps basic flying school at San Angelo, Texas, recently was promoted from the rank of private first class to the rank of corporal.

Corporal Batte is attached to the 388th School Squadron here.

LEAVE FOR CAMP CROWDER TO VISIT SON AND HUSBAND

Mrs. E. O. Schiller and Mrs. Alvin Nolte left Cameron at noon Friday for Camp Crowder, Missouri, where they will visit for a few days.

Mr. Nolte, now in the United States Army, is stationed at Camp Crowder and Edwin Schiller is also there.

Parade at the camp will be held Sunday for the Governor of Missouri and Mrs. Schiller and Mrs. Nolte hope to see the maneuvers.

IN CANAL ZONE

Henry Helpert of Burlington was in Cameron Saturday and will send the Herald each week to his son, First Lieut. R. Helpert at Albrook Field in the Canal Zone. He is one of three brothers now in the armed services.

Mr. and Mrs. Teddie Harrison and son of Houston, were here for the week end visiting old time friends.

New High in Ship Production

LIBERTY SHIPS BEING FITTED OUT AT A BETHLEHEM YARD PREPARATORY TO SEA SERVICE. THE YARD IS PRODUCING A CONTINUOUS STREAM OF VESSELS OF THIS TYPE.

Bethlehem ship production this year will represent the greatest all-round shipbuilding output by any company in the history of the country.

Speed, speed and more speed is the constant objective; and always speed with quality, for a jerry-built ship is virtually useless in the grim tasks of maritime war.

The first Liberty ship which recently discharged supplies at a Red Sea port was built in a yard that was virtually nonexistent a year ago. A tanker was delivered in 100 days from laying of keel. A battleship will be delivered 14 months ahead of schedule.

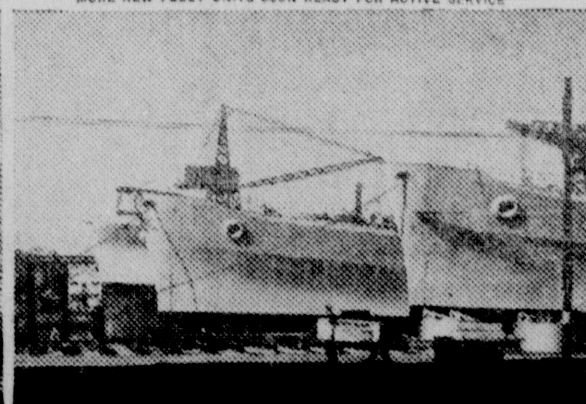

Cargo ships are being built in less than one-half the time

required in the first World War. Comparable speeding up has been achieved on other types of ships and the schedule is being constantly stepped-up.

Expanding old yards, building new ones, tripling employment in a year's time, training thousands of new men, putting every effective facility to use, adopting pre-assembly and mass production methods—all these spell tonnage and more tonnage, a steadily-mounting output of ships from Bethlehem yards.

All hands are doing their utmost for Victory, working to achieve the maximum for the U. S. Navy and the U. S. Maritime Commission, so that the "bridge of ships" shall be maintained and steadily enlarged.

Ruth Marek of Burlington Becomes Bride of Lieut. Thomas Jefferson White in Ceremony At Jackson, Mississippi, Saturday, April 4th

Miss Ruth Marek, daughter of Mr. and Mrs. Walter Marek of Burlington and Lieut. Thomas Jefferson White, Army Air Corps, were married in Jackson, Mississippi, on Saturday April 4, 1942, at 6 o'clock.

The wedding ceremony took place at St. Andrew's Episcopal Church in Jackson with Rev. Walter B. Capers, Rector, performing the ceremony.

Lieut. White, army flier, attached to the Air Base at Jackson, could not obtain leave because of war restrictions and the wedding was arranged there with the bride going by train to Jackson, reaching the city early Saturday afternoon.

St. Andrews Episcopal church was beautiful in Easter decorations with lillies providing the floral background. The wedding was originally planned to take place at the Air Base with a military background but plans were changed. Relatives here were advised of the change after the wedding occurred.

Two fliers from Pennsylvania in Lieut. White's bombardment group participated in the wedding and a number of other fliers from the base as well as a few personal friends were present. Two Cameron boys Frank Richter and John Wallace, now at the Jackson Air Base, were at the wedding.

Fliers from Lieut. White's squadron arranged a reception and supper at the Heidelberg Hotel in Jackson following the wedding. The couple have taken up residence at 801 Arlington in Jackson.

The bride was born and reared at Burlington and is a graduate of

Rosebud High School and of a Dallas Business College and up to the time of her marriage was employed by a business college in Dallas. Many friends in Cameron where she lived for a year prior to attending school in Dallas will be happy to know of her marriage.

She was attired in a semi-tailored suit of chalk blue alpaca with full length coat, a redingote style and wore a corsage of rosebuds. Her hat of fabric and straw, was smartly modeled, rose in color with blue veil, accessories in black.

Lieut. White was born in San Antonio but reared in Cameron. He is son of J. B. White, publisher, and Mrs. Leona G. White of Cameron. Lieut. White recently graduated and received his wings and commission as a flier at Ellington Field and was transferred to Jackson.

He entered the air service and received his primary training at Muskogee, Oklahoma, and then graduated from Randolph Field as a basic flier before going to Ellington.

Lieut. White graduated at Yoe High School in 1936 and from Rice Institute in Houston in June 1940 in Chemical Engineering, returning to Rice in September 1940 for a fellowship and Ph. D. in Math. The war changed his plans and he volunteered in February 1941 and went to Fort Sam Houston where he was serving in the Medical Corps when he transferred to the air service.

Lieut. and Mrs. White will make their home in Jackson, Mississippi, until he completes his service at the air base there.

Four Star Emblem Given Mrs. J. C. Mayfield Who Has 4 Sons in Armed Forces; Program Arranged by Business Women's Club Here

Mrs. John C. Mayfield has been awarded the Four Star Emblem of the Emblem of Honor Association of New York, in recognition of the service of four sons in the armed forces of the United States.

The award was made April 7 at a meeting of the Business and Professional Women's Club in Cameron. Miss Delphya Scott, program chairman for the meeting obtained the medal and arranged for its presentation.

A four star Button-Back emblem was given to J. C. Mayfield, father of the sons in the army. He is at Camp Swift and could not be present for the meeting.

CUSTOM HATCHING.

Judge Gillis presented the awards and talked on the "Cost of Defense."

Miss Scott arranged an impressive detail for the meeting which was a pledge of allegiance to the flag. She also read a poem "Old Glory."

Misses Leila Woolley and Lala Meyers were hostesses and served a fruit salad plate with hot tea. Miss Lilian Atkinson, president, presided over a short business session and appointed her nominating committee for the new officers to be elected at next meeting.

A patriotic theme was carried out in the decorations in using flags, the Texas flower, Blue Bonnets, and patriotic music was enjoyed at the beginning of the evening with Miss Mary Finks at the piano, and Mrs. Theresa Robinson singing.

Another guest of the club for the evening was Mrs. Wilma Ramsouer, sister of Miss Woolley.

GOES TO NAVY

Clem G. Jedlicka has completed a naval training course at the U. S. Naval school at St. Petersburg, Fla., and will leave shortly for active duty with the U. S. Fleet.

WEDDING ANNIVERSARY

Celebrating their 50th Wedding Anniversary, Mr. and Mrs. Will Strickler entertained their guests from 10 a. m. to 7 p. m. at their home near Ben Arnold.

Mr. and Mrs. Strickler were married April 5th, 1892, and to their union were born six children, Ben, Walter, Edmond, Perry, Mrs. Henry Kraemer and Mrs. Robert Lee Boyls. At noon dinner was served to friends and relatives which numbered 82. A beautiful wedding cake with fifty candles decorated the dining table, with lovely gifts adorning the living room.

Mrs. Strickler opened all the gifts after dinner was served and thanked each and every one in her own loving voice for the beautiful gifts which were given to her and Mr. Strickler.

Among those who registered were: Mr. and Mrs. Gus Hausmann, Frank Hausmann, Miss Marion Menking, Mr. and Mrs. H. A. Kuhn and son, Mrs. Rudolph Neumann and son, Mr. and Mrs. Henry Kraemer and son, Mr. and Mrs. M. D. RECEPTION FOR MISS LATTIMER

Honoring Miss Jean Lattimer of San Antonio, Mrs. Rayond Sharpe entertained Sunday afternoon with open house from four to six o'clock, at her home on East 11th street.

Miss Lattimer for several years was employed at the American Legation at Lisbon, Portugal, and the past several years worked with Ernest Sharpe who is now stationed at Lisbon. Miss Lattimer is home on a vacation and visited in the Sharpe home for Easter.

Mrs. Kathryn Robbins sat at a lace laid table in the diningroom and poured coffee and was assister in serving a dainty plate with sandwiches, cookies and fruit cake with the hot coffee, by Mesdames Walter Sharpe,

Nadine Sapp and Miss Frances Sharpe daughter of the household who teaches school in Brenham, and was home for the week end, and was accompanied by her friend, Miss Margarette Garrison of Houston.

Bridalwreath and white iris gave a springtime setting to the reception rooms where a large crowd gathered to meet Miss Lattimer.

Mrs. Lottie Bigbee returned from Baytown where she spent Easter with her daughter and husband and was accompanied home by little Bobby Barnette.

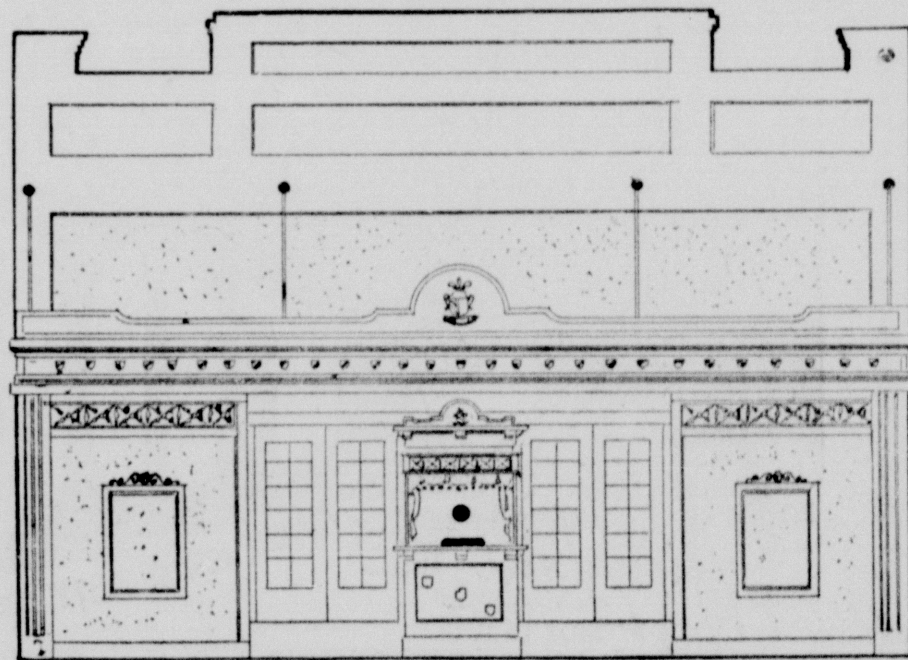

Mr. and Mrs. LaBertice Robinson and son, spent the week end in San Antonio.

KEMP

(Continued from page one)

ciates the responsibilities of office and is deeply conscious of the obligation which he owes to the people. With high resolve and singular devotion to duty his service is prominently a part of the high traditions of Milam County official life.

Judge Kemp in commanding so large a share of public confidence has been able to inspire co-operation and by reason of this fact has been able to serve with distinction at home and with equal importance in the state at large where contacts and wide acquaintance are necessarily a part of the position which he holds.

Confidence in public officials is an important factor in the degree of helpfulness and efficiency with which any man may serve. In this regard Judge Kemp has grown in public confidence and his strength has been translated into better government for the people.

For many years the financial affairs of the county have inspired favorable attention throughout Texas. By wholehearted co-operation with the members of the Court and the Auditor he has contributed greatly to the commanding position in which our securities rate, the credit of the county and the ample financial resources in hand.

Conditions have weighed heavily against greater economies but despite the participation by the county in all worthy public enterprises brought on by the demand of the times, the tax payers have felt no additional burden, in fact have had their burden generally lessened by the administration of Judge Kemp in the court house with the co-operation and aid of the Commissioners.

In addition to his service as county Judge he has found time and pleasure in assisting the aged people to obtain assistance under the law. Old age assistance has been made more generally effective as a result of his sympathetic understanding of the problem and need of the old people.

As a member of the Legislative

Committee of the Judges and Commissioners Association of Texas he helped secure passage of the Bond Assumption law which materially lowered taxes in the various road districts of the county and opposed any plan to lessen the benefits of this law.

The benefits of increased employment here have been realized by a policy of co-operation and action by the Commissioners' Court of which Judge Kemp is head. Government projects wherever feasible and beneficial have had their champion in Judge Kemp. These activities have resulted in many benefits to the county and the people generally will be grateful for the service rendered by their county judge.

Judge Kemp was an early advocate of the cause of Home Demonstration work and has witnessed with pride and satisfaction the growth of these clubs and farm improvement through the years.

In these critical war time many things are required of public officials and Judge Kemp, by reason of his experience can serve better than any other. At this time the importance of Birth Certificates and a multiplicity of requirements afford the people an opportunity to take advantage of his service.

As friends are pointing out there have been few times when men so widely versed in methods of service or whose experiences lend more to the desirability of a public official that Judge Kemp, are more necessary to unity and efficiency. Holding the confidence of the people he can and does inspire co-operation in others and thus the people feel they have invested well their faith in one who has wrought well and saved them much.

As a trial Judge in County Court, Judge Kemp has the confidence and esteem of the bar. His fairness and justice is a tradition. In criminal cases he has tempered justice with mercy, has been generous, sympathetic and helpful while upholding the cause of the state and society.

Judge Kemp pledges to continue these services. The people will receive his announcement for re-election with approval. He hopes to see each one in the coming campaign and to renew pledges of faith with the people he has so well served.

FREEDOM TALK ENDED SAYS STAFFORD CRIPPS

Talk of freedom for India has ended.

Sir Stafford Cripps, special envoy to India said Saturday the conference has broken down and he will return to London.

India will be no better and no worse except that by some miracle the British may be able to fight off the Japs but that is not likely.

Conquest of India by the Japanese will be no more of a problem than the conquest of Indo China and Singapore.

The government in London said that the offer of Dominion status for

India would be held open temporarily if the Delhi conferees should change their minds but the British would not hold out much longer any offer of freedom.

India is without defense. General Sir Archibald Wavell is now in India but has no army to speak of.

London said Saturday that the British are now depending on the Americans to save India.

Just what the Americans will use to save India is not clear.

For the present America will have no battle front except occasional naval fights or hit and run battles.

The army of detour now in Aus-

tralia may not get in the fight if Japan chooses to come west to meet Hitler in the near East, that is if Germany can defeat Russia.

From now on war news will be scarce so far as the United States is concerned. Taking the offensive "at the earliest possible moment," has been the stereotyped radio and press gag since 1940.

America should go to war.
